About us

Rabeana Danah Co. Ltd.

"Designing Dreams, One Desk at a time."

Imagine a workspace where every desk, chair, and storage solution is a canvas of comfort and inspiration. Our furniture isn't just about utility – it's about empowering you to dream bigger, work smarter, and achieve more. We believe that the environment in which you work profoundly influences your output, and that's why we pour our passion into every design, every detail, and every material choice.

▲ An elegant way of increasing the workplace through connection tops that leave no room for clumsiness on the desk and also provide continuity to the arrangement.

The spell binding, versatile compact cubicles with single drawer and a keyboard tray that meet all the fundamental requirements and make optimum utilizations of space

▲ Full height partitions with concealed cable management system with unusual thickness of 32mm to augment the sophistication and elegance of the cubicle, without having compromised on the strength and stability.

▼ Plus Connector

▼ T Connector.

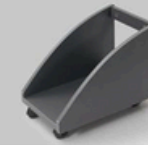

▼ Straight Connector.

▼ L Connector.

▼ Duck nose end profile lends elegance.

▼ (B2) Also available without share top

(E)

▼ Splendid look and the ease of panel based system; the all new 57mm partitions from OZONE integrate both.

▲ The optional dual raceways, one above the top and another at the skirting level ensure enhanced functionality and utility.

▲ Encase the strength and sturdiness of partitions, fix the overhead cabinets for increasing the storage area.

▼ The thickness of 57mm speaks for the strength while multiple junction connectors add to the firmness of the partitions.

▲ Straight Connector.

▲ L Connector.

▲ Plus Connector

▲ End Profile

▲ T Connector.

Multiple layouts possible using the same components freeing one from the obligation of maintaining different stock for different layouts.

V-57 System

▼ Options of using white board, soft board or MFC instead of fabric make the partitions even more desirable.

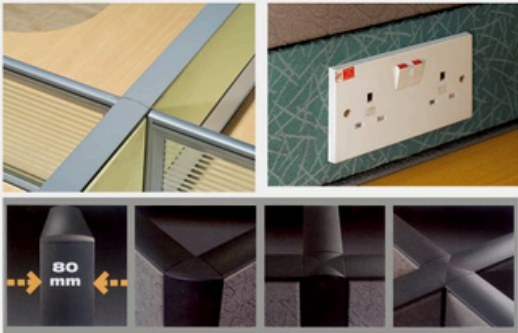

▲ An economic yet classy alternative of panel partitions is the glass partition that latches over the tabletop.

▲ Integration of 80mm profile with 32mm profile is a perfect economic option with no compromise on aesthetics & functionality.

▼ Integration of 80mm with 32mm profile

▲ The joinery of the connector caps & extrusion speak for the fine quality offered.

▼ The tile based system shortens the elaborate procedure and makes it extremely convenient to maintain and change the cables frequently. The MS frames are engineered to take care of the cabling in horizontal & vertical directions.

▲ Cables can be neatly managed by laying in and not routing

▲ The MS Powder coated frame structure provides both, the much needed rigidity & the functionality of a tile based system.

▲ The Configurability of 80mm partitions lets you create, change & add at your ease.

▲ MFC Tiles

▲ Perforated Metal Tiles

▲ Metal Tiles

▲ Glass Tiles

▼ The cubicles ensure your privacy and space in an open office.

▼ Stabilizers for the free standing partitions
